# President's Message

by Aubrey Baudean, Jr., D.D.S. – NODA President

Happy New Year to all N O D A members! I pray that all members and their families had a happy, busy, and

peaceful holiday. This time of the year is always a time to reflect on the past and to hope for the future. It is a great time just to be thankful for God's blessings.

The NODA General Membership meeting will be held at LSU School of Dentistry on January 18<sup>th</sup> worth 1 C. E. credit. I am looking forward to getting back to the school. Members will be able to receive 5 hours of C.E. annually from the General Membership meetings.

I would like to thank the Board of Governors for all their help and trust. I would also like to

thank a few new members to the Board of Governors, Dr. Gregory Guerra as 1<sup>st</sup> Vice President, Dr. Zachary Tanenbaum as the new Secretary, Dr. Kay Jordon as a new At-Large board member, and Dr Brant Schmidt as a new At-Large board member.

The New Orleans Dental Conference/Louisiana Dental Association's Annual Session is April 20-22, 2023 at the Hyatt Regency New Orleans. This year's Conference is going to be great! You can receive up to 23 hours of C.E. time! We are looking for volunteers to help with registration and monitoring classes. The viability of NODA is linked to the financial success of the New Orleans Dental Conference/Louisiana Dental Association's Annual Session, so please consider helping out.

NODA is working with Steve Golden (985/373-1108), a

consultant with American Tax Savings. This is a great program that helps dentists and other business with The Employee Retention Tax Credits (ERC) with the Federal Government. The CARES Act was signed into Law in March of 2020. This is a \$370 billion stimulus package that makes funding available to small companies. I know many dentists who have been helped with this program. Make sure you inquire before the funds are depleted.

I would like to thank the NODA dentists for their trust. I would like to thank Andrew Hale for his dedication to the organization. I would like to invite members and guests to celebrate with me at the President's Installation Banquet at TPC Louisiana in Avondale on Friday March 10, 2023. I am very humbled to serve as your President and pray to God for a great New Year!

## NODA New Dentists Dinner

Dentists who graduated from dental school in 2017 or after are invited to the New Orleans Dental Association's New Dentists Dinner on Tuesday, January 31, 2023 at 6:00pm at The Ridgeway of Old Metairie (2431 Metairie Rd.). Attendance is free, but is limited and will be held on a first come, first serve basis for the first 80 new dentists to register. To register, go to (<https://www.nodental.org/upcoming-events>).

Organized dentistry has positively influenced the careers of countless dental professionals. Yet, many new dentists question the value of organized dentistry and whether membership is worth the cost. Four colleagues will share how organized dentistry has

helped shape their respective careers and quality of life in dentistry: Drs. Frank Martello '79, Glenn Dubroc '89, Claudia Cavalino '02, and Gabrielle Richard '16. Colin Zvosec, Louisiana Dental Association's Director of Membership Development, will also be present to explain various options for paying dues to make organized dentistry an affordable part of everyone's budget.

We want dentistry to be the great profession for you that it has been for us. But for that to happen, we need you to be a part of the team. We'll show you how being an ADA member can pay for itself, as well as how to make your membership dues an affordable part of your annual budget.

To register, go to (<https://www.nodental.org/upcoming-events>), scroll down to January New Dentists Dinner under 2023 and click on the title.

## EMPLOYEE RETENTION CREDIT

### GOVERNMENT TAX CREDITS

In order to provide economic relief to businesses and individuals during the Coronavirus pandemic, the CARES (Coronavirus Aid, Relief and Economic Security) Act was signed into law in March 2020. This \$370 billion stimulus package makes funding available to small companies, which can be used to allow certain employers who retain employees during the crisis, to claim a tax credit. This tax credit is known as the Employee Retention Credit (ERC).

[AMERICANTAXSAVINGS.COM](http://AMERICANTAXSAVINGS.COM)

### EMPLOYEE RETENTION CREDIT

The ERC allows eligible employers to claim a credit against 50% of wages paid per quarter, up to \$10,000 per employee annually, for wages paid between March 13, 2020 – December 31, 2020. The maximum credit is \$5,000 per employee. In December of 2020, under the Covid-19 Relief Package, the ERC was extended from January 1, 2021 – September 30, 2021. This extension allows eligible employers to claim a credit against 70% of wages paid per quarter, up to \$10,000 per employee, with a maximum allowable credit of \$26,000 per employee.

### WHICH BUSINESSES QUALIFY & HOW?

There are several ways that a business can qualify for ERC: 1) full or partial suspension of business operations as a result of government order or, 2) a significant decline in revenue compared to the same quarter in 2019 or, 3) interrupted operations or, 4) supply chain interruptions or, 5) reduction in services or goods offered to your customers or, 6) cut down in your hours of operations or, 7) difficulty hiring employees and others.

### HOW DO ELIGIBLE EMPLOYERS OBTAIN THEIR ERC?

American Tax Savings (ATS) will review the relevant financial records to calculate the dollar amount of the eligible employer's expected credit. ATS will then complete and file the relevant IRS forms for the employer and retain all necessary documentation.

#### CARES ACT

- All wages paid between March 13, 2020 and December 31, 2020
- Payroll tax credit rate - 50 percent of Qualified
- Limit on per-employee creditable wages - \$10,000 for the year
- Eligibility for the credit - reduction of gross receipts by at least 50 percent of the comparable quarter in 2019
- 100-employee delineation for determining the relevant qualified wage base (i.e. all wages paid to employees are available for the credit up to the cap)
- Wage qualification is based on the average number of employees the business employed in 2019

#### COVID 19-RELIEF PACKAGE

- Beginning on January 1, 2021, and through December 31, 2021
- Payroll tax credit rate - 70 percent of Qualified wages
- Limit on per-employee creditable wages - \$10,000 for each quarter
- Eligibility for the credit - threshold drops to 20 percent. Safe harbor allows employers to use prior quarter gross receipts to determine eligibility
- 500-employee delineation for determining the relevant qualified wage base
- Employers who receive PPP loans may still qualify for the ERC with respect to wages that are not paid for with forgiven PPP proceeds retroactive to the CARES Act
- Allows new employers who were not in existence for all or part of 2019 to be able to claim the credit. This new provision is retroactive to the effective date included in Section 2301 of the CARES Act

ADS South specializes in valuations and transitions for dentists. Learn how to protect your practice in case of death. Call Dr. Earl Douglas at 770/664-1982 or visit our website [www.adssouth.com](http://www.adssouth.com). Four Metairie practices and one North Shore practice sold. All sold for full price, cash at closing. If you're thinking about selling, this a good time to call Dr. Earl Douglas 770/664-1982 or [earl@adssouth.com](mailto:earl@adssouth.com).

### GENERAL PRACTICE – HOUMA AREA (#6874)

Gross Collections: \$304,805, 3 Days a Week, 3 Operatories, 990 sq. ft. I usually don't recommend satellite practices for you, but this one is the exception to the rule. It's an underperforming practice in an excellent patient to dentist ratio location. The equipment has recently all been updated. The overhead is a ridiculously low 40% and for a day and half per week, a buyer would walk away after all payments and expenses with a net of \$190k. Don't forget the low stress environment and grateful patients and it's only an hour

and a half drive from the hustle bustle of New Orleans. Take a look at this one. Contact Dr. Earl Douglas 770/664-1982 or [earl@adssouth.com](mailto:earl@adssouth.com).
