NO. 05

President's Message

by Peter M. Tufton, D.D.S. – NODA President

There was no fooling around with the start of April for NODA members. The Louisiana Dental Association

House of Delegates met on April 6th at the Renaissance Hotel in Baton Rouge. Thanks to the President-Elect Dr. Byron Ganuchau for securing the required number of delegates and to all NODA members who responded to his invitation.

First time delegate, Dr. Craig Marcello, led the fight against an increase in dues for retired life membership. After much discussion, the increase was defeated. We were fortunate to have Dr. Jeffery Cole, President of the American Dental Association address the meeting. It was a great opportunity for the attendees to meet with him. The night before the meeting, a joint banquet of the fellows of the American College of Dentistry and the International College of Dentistry was held at Mansur Restaurant.

The next day, NODA member Dr. Kristi Soileau was installed as the second woman to become President of the LDA in 141 years. She has been active in local, state, and national levels since graduating from dental school. She

has a passion for organized dentistry. Under her leadership, dentistry has a bright future in the state of Louisiana.

Dean and Mrs. Henry Gremillion hosted a reception on April 11th honoring the graduating class of 2019 from LSU School of Dentistry at the Balcony in Metairie. It was a great opportunity to meet future NODA members.

The event that we all look forward to is the Annual Crawfish Boil at Southport Hall. It was a great success thanks to our President-Elect Dr. Byron Ganuchau and Dr. Kevin Collins, Chairman of NODE. This event is made possible because of our generous sponsors NODE, Henry Schein, Selser Dental Lab, Brown and Brown, and

Hancock Whitney. The crawfish boil is always a great way for Doctors and staff to socialize and further better relationships.

Dentists' Day at the Legislature was held on April 24th. NODA members and LSUSD students made the trip. Dentist Day offers dentist the opportunity to meet their lawmakers and express their views on topics that affect their profession. A reception for dentist, guest and legislators was held at Pentagon Barracks.

See you at the New Orleans Dental Conference/LDA Annual Session on May 9-11 at the Hyatt Regency Hotel and the LDA Summer Conference June 19-22, 2019 at the Sandestin Golf and Beach Resort.

Dean Leads Education Association

Dean Henry Gremillion, DDS, MAGD, has been installed as the chair of the American Dental Education Association (ADEA) Board of Directors for 2019-2020. ADEA leads institutions and individuals in the dental education community to address contemporary issues influencing education, research and the delivery of oral health care.

Ponchatoula Dentist Receives LDA Distinguished Service Award

Dr. Robert Barsley, J.D. of Ponchatoula, La., was named this year's recipient of the Distinguished Service Award that was presented during the 139th House of Delegates of the Louisiana Dental Association (LDA) on April 6, 2019, at the Renaissance Baton Rouge.

The Distinguished Service Award is the highest honor bestowed by the LDA and is given annually to individual members who exemplify the highest standards of professional conduct in dentistry and make extraordinary contributions in organized dentistry and their community.

Dr. Barsley has been a member of the LDA, the American Dental Association (ADA) and the New Orleans Dental Association (NODA) for 41 years, and he has been extremely active at all levels.

At the state level, Dr. Barsley was the 2016-2017 president of the LDA. He also served as secretary-treasurer and speaker of the House of Delegates prior to becoming president. As an involved leader in the association, he spent many years on the LDA Board of Directors, representing the association on the Louisiana Health Care Commission, as an ADA delegate to the

ADA House of Delegates, on the Medicaid Task Force, as an ex-officio on the Council on Government Affairs, and as a liaison to the LA State Board of Dentistry. He is also a board member for the LDA Foundation and has been on the LA Mission of Mercy planning committee, as well as a volunteer for LaMOM.

Locally, he served NODA as chairman of the statewide conference, member of their bylaws committee since 2007, and member of the local arrangements committee in 1994 and 2002 and chair in 2013 when the ADA came to New Orleans with their national meeting.

His service is vast and his accolades many. He is a professor in the Department of Diagnostic Sciences, and director of the Department of Oral Health Resources, Hospital and Community Dentistry at the LSU Health Science Center School of Dentistry.

Dr. Barsley works closely with the Orleans Parish and Jefferson Parish coroner's offices. He is a forensic dental team member with DMORT – Region VI.

He is a diplomate with the American Board of Forensic Odontology, Inc., a fellow of the American Academy of Forensic Sciences, a fellow in the American College of Dentists, a fellow in the International College of Dentists and a fellow in the Pierre Fauchard Academy. He has served dentistry on various boards and commissions, including the Rebuild Louisiana (Governor's Transition Team) for Health Care issues and is a member of the Editorial Board for the Journal of Forensic Science, as well as several other peer reviewed publications.

He is married to Gwen Ballard Barsley, and has one daughter, Emily Lawrence Barsley.
