MISSION STATEMENT

To maintain a cohesive organization that serves its membership by promoting the art, science and professionalism of dentistry, and by communicating the value of optimal oral health to the community.

VOL. 53 OCTOBER '15 NO. 08

President's Message

by Donald P. Bennett, D.D.S. – NODA President

October is finally here and that means cooler temperatures. It also means that NODA will have a full slate of continuing education opportunities this month. It starts with our General Membership meeting on Wednesday, October 21st at 6:30 pm at Five Happiness when Dr. Richard Hermann lectures on endodontics. The program is sponsored by Real World Endo and New Orleans Dental Enterprises, LLC (NODE).

Our All Day Seminar begins at 8:00am at The Rose Garden on Friday, October 30th and will feature Dr. Robert Convissar, who will be speaking on laser dentistry. For those dentists who attend the seminar, there is an optional hands-on training class the following day, also taught by Dr. Convissar. The program is brought to you by NODE, Oral ID, Light Scalpel LLC, and Dr. Robert Convissar, D.D.S. The seminar by itself will have a fee of \$60 for NODA dentists, including

breakfast and lunch, and the hands-on class will be \$250 for NODA dentists. Contact the NODA office for more details and to register.

Finally, if you served as a delegate for NODA at the LDA Annual Session back in April, and would have an interest in serving again, or if you have never been a delegate and would like to do so, please contact the NODA office. The next LDA Annual Session will be in April of 2016.

Please look for the nominations for the 2016 NODA Board of Governors in the November issue of NODA News.

Happy Halloween!

<p>October 21, 2015</p> <p>Five Happiness 3605 S. Carrollton Avenue New Orleans, Louisiana 70118 504/482-3935 www.fivehappiness.com</p> <p>Registration: 6:30 pm Course: 7:00 pm</p> <p>CE: 1 clinical hour</p>	<p>Speaker – Richard I. Hermann, D.D.S.</p> <p>A Diplomate of the American Board of Endodontics. Dr. Herman received his DDS degree from New York University College of Dentistry and his Certificate in Endodontics from Kingsbrook Jewish Medical Center. Dr. Herman has been in Endodontic private practice for 40 years, and served as Chief of Endodontics at North Shore University Hospital in Manhasset, NY for 35 years. He also served as an attending in Endodontics at Long Island Jewish Hospital in the GPR program for 38 years. He is a member of the College of Diplomates of the AAE and a Fellow of the American College of Dentists. Presently, Dr. Herman is an Adjunct Clinical Professor of Post-Graduate Endodontics at Nova Southeastern University.</p> <p>As a member of Real World Endo Board of Advisors, Dr. Herman is certified to conduct Lectures and seminars in Precision Based Endodontics.</p> <p>Topic – “Restorative Endodontics, a modern standard of care for long-term success”</p> <p>Restorative Endodontics (RE) is based on minimally invasive root canal preparations and bioceramic bonded obturation that enhance the long term biomechanical success of the endodontically treated tooth. It (RE) is based on a biologic approach that emphasizes debridement and disinfection rather than shaping for obturation. This Real World Endo presentation is highly practical and will describe numerous facets of clinical endodontics, utilizing a "Case Based Learning Approach." The principal scientific concepts for successful endodontics will be presented as well as new technology and techniques that emphasize responsible shaping and HA (hydroxyapatite) bonding inside the root canal.</p> <p>A new instrumentation and obturation system (ESX®) will be introduced that incorporates the above concepts. Real World Endo remains dedicated to the preservation of the natural dentition through smarter more thoughtful endodontics. This presentation is a must see for those practitioners committed to clinical efficiency without sacrificing quality care for their patients.</p> <p>During this lecture, participants will learn:</p> <ol style="list-style-type: none"> 1.) The scientific concepts for success by incorporating a few new simple steps during clinical care. 2.) How to properly use the ESX® NiTi rotary file and instrumentation system. 3.) The use of the new bioceramic materials in both surgical and non-surgical endodontic care. 	<p>Brasseler USA Mike McLaughlin National Manager – Endodontics One Brasseler Boulevard Savannah, Georgia 31419 Phone: 912/925-8525 Ext. 5043 Toll Free: 800-841-4522 Cell: 912/308-6001 MikeMcLaughlin@BrasselerUSA.com www.BrasselerUSA.com</p> <p>New Orleans Dental Enterprises, LLC Dr. Kevin J. Upcoming Scientific Programs - Con't.

by Richard L. Owens, Sr., D.D.S. - NODA Scientific Program Committee Chair

DATE LOCATION TIME	SPEAKER TOPIC OBJECTIVES	SPONSOR
<p>November 18, 2015</p> <p>Courtyard on the Ridge 407 Folse Street Harahan, Louisiana 70123 504/737-6660 www.courtyardontheridge.com</p> <p>Registration: 6:30 pm Course: 7:00 pm</p> <p>CE: 1 clinical hour</p>	<p>Speaker – Corky Willhite, D.D.S.</p> <p>Dr. Willhite has achieved Fellowship by the Academy of General Dentistry, the American College of Dentists. He is one of only 60 Fellows of over 6,000 American Academy of Cosmetic Dentistry members worldwide and has served on their Board of Governors (currently American Board of Cosmetic Dentistry) and spent years as an Examiner for Accreditation. He is on the faculty of the Center for Esthetic Excellence in Chicago. His private practice is in suburban New Orleans, The Smile Design Center, is limited to Cosmetic Dentistry.</p> <p>Topic – “Pearls for Common Problems with Anterior Composites”</p> <p>Whether you are a master or a beginner with composite, the “pearls” covered in this course should improve your success with all anterior composites. You’ll also learn new solutions for some common problems. Composite is the best material to use when you want a single appointment procedure and a more affordable option compared to porcelain restorations. And composite is the most conservative option since these techniques require little or no prep.</p> <p>Learning objectives:</p> <ol style="list-style-type: none"> 1.) How to create undetectable margins supragingivally and smooth margins subgingivally. 2.) Correcting open gingival embrasures or “black triangles.” 3.) Understand why prepping is counterproductive in diastema and peg lateral cases. 4.) Contouring and polishing technique for an incredibly natural finish. 	<p>Darby Dental Supply, LLC Vance Rudnet Senior Account Manager 3300 University Drive, Suite 250 Coral Springs, Florida 33065 800-448-7323 Ext. 2124 vance.rudnet@darbydentalsupply.com www.darbydental.com</p>

LOUISIANA MISSION OF MERCY – sponsored by your LDA Foundation

Mission Statement: We seek to deliver quality dental care to the underserved population of Louisiana by partnering with dental team members and lay volunteers in a free temporary dental clinic setting.

Goals

1. To provide free access to dental care and prevention of dental disease while placing a high priority on patients suffering from dental infections or pain.
2. To raise public awareness of the difficulty low-income adults and children face in accessing critical dental care.
3. To create dental health care advocates via the hundreds of lay volunteers participating in our event.

Target goals:

- 1500 patients, 750 each day, to be seen on a first-come, first-served basis
- 200 volunteer dentists to provide diagnosis, treatment and education
- Up to 1200 volunteers such as dental team members, office staff, hygienists, chairside assistants, lab technicians, physicians, nurses, pharmacists, dental students, hygiene students, pre-dental students, dental supply reps, church groups, college service groups, community services groups (Rotary, Lions, St. Vincent DePaul, etc.) or any individual over 18 years old
- Financial and In Kind Donations from the community to assist with the purchase of needed dental supplies, food for volunteers and patients, signs, printed materials, volunteer shirts and much more.

Our budget is approximately \$150,000, but we will be able to provide over \$750,000 worth of dental care because of the donation of time from our many Louisiana dentists who will be participating at no cost.

Volunteer dentists may be from other states as well. All dentists will be approved by the State Board of Dentistry for temporary licensure. They may also be eligible for up to 3 CE hours for their participation.

ALL VOLUNTEERS WILL REGISTER ONLINE SO THAT WE MAY PREPARE FOOD AND SHIRTS (as well as licensure and liability coverage for doctors and hygienists) WE WILL NOT BE ABLE TO ACCEPT VOLUNTEERS AS WALK-INS. Registration for volunteers will begin on May 1, 2016.

Seeking Nominations for NODA Honor Dentist

by Glenn C. Dubroc, Jr., D.D.S. – NODA Honors & Awards Committee Chair

The New Orleans Dental Association Honor Dentist award is presented annually "in recognition of outstanding contributions and exemplary conduct in the profession of dentistry." You are encouraged to submit nominations of a member or members that you feel are deserving of NODA's most prestigious honor. The deadline for nominations is Wednesday, November 29, 2015.

Your nomination should list the nominee's accomplishments and reasons why you believe he or she is deserving of the Honor Dentist award. Mail your nominations to the attention of Dr. Glenn Dubroc, Honors

& Awards Committee Chairman, c/o New Orleans Dental Association, 2121 N. Causeway Blvd., Suite 153, Metairie, LA 70001. You may also fax your nomination to 504/838-6909 or e-mail it to andrew@nodental.org. No nominations can be accepted after November 29, 2015. The recipient will be announced at the January 2016 General Membership meeting and in the February 2016 edition of NODA News.

"In Memoriam"

Dr. Robert L. Scheuermann

N.O.D.A. would like to extend to his family and friends their sincere sympathy. He will be missed by his fellow dentists.

WE WANT YOUR NEWS!!

Anyone knowing of any dentist who has made a significant contribution, gained an elective or appointive office, written an article, delivered a paper, or rendered unusual public service, please let us know!

In Defense of Our Industry – Join LADPAC Now!

by Gizelle P. Richard, D.D.S. – NODA LADPAC Representative

Did you know that if Dentistry were to lose its Louisiana State tax exemption, a practice with an annual gross of \$750,000 could pay \$30,000 in taxes annually? Currently, 32 states have eliminated the exemption. Louisiana could be next unless we remain vigilant and work closely with LADPAC and the Louisiana Legislature.

The Louisiana Dental Political Action Committee (LADPAC) is a voluntary, non-profit, committee unaffiliated with any political party. Its purpose is to assist dentists in organizing for more effective political action; to encourage dentists to be more active in governmental affairs; and to collaborate with member Dentists to build and sustain relationships with their designated elected officials.

The primary role of LADPAC is to play defense and stay ahead of the political curve. At the State level, LADPAC is doing so on the issue of mid-level providers. On the Parish / local level, when Lafayette Parish declared that renewal tax issues were not covered by the state tax exemption, LADPAC joined in the fight.

Of course to maintain our defensive posture, it takes paying attention to the Legislature generally and to the political pre-dispositions of individual Legislators. To do so, requires support and financial participation of LADPAC by member Dentists. LADPAC is funded primarily in two ways: 1) donations from members by including dues as a voluntary item on your annual dues statements, making a credit card payment, or mailing a check

to the LDA at any time; and 2) proceeds from the LDA's "Split the Pot Raffle" benefit.

The LADPAC funds are then used to make contributions to designated, "go-to" Legislators who have been friends of our industry, as well as to partially cover Dentists' Day at the Legislature.

"As I have said many times, it is very important that we keep in contact with our legislators. They appreciate hearing from you, their constituents, so do your best to call, write, e-mail, and thank them for listening to our concerns about legislation that affects the practice of dentistry," said Dr. David Kestel, Chairman of LADPAC.

Support LADPAC today, and invest in defending our industry.

NODA News is published every month with the exception of June and August. Deadline for ads and editorial material is the 10th of the month preceding publication. Ads and news should be sent to:

Remembering Robert L. Scheuermann, D.D.S.

Dr. Robert Scheuermann, D.D.S born on September 4, 1941 passed away on September 2, 2015. He is predeceased by his parents Theresa Levy and Edward Scheuermann. Beloved Husband to Helen Scheuermann and Father to Glenn Scheuermann (Nora), Randy Scheuermann (Jessica), Nancy Rifai (Hamdi), Holly Spath (Beau). Loving grandfather to 9 grandchildren.

Dr. Scheuermann had a dental practice in Metairie for 48

years. He was a member of New Orleans Dental Association, Louisiana Dental Association, and The American Dental Association. He was proudly retired from the United States Navy having served 2 years for his country. He also served as a Eucharistic Minister for 35 years in St. Clement of Rome and Mary Queen of Peace. Robert will be missed by all that knew and loved him

Call for Nominations of 2016 NODA Officers & Delegates

by Richard L. Owens, Sr., D.D.S. – 2016 NODA Nominating Committee Chairman

The 2016 Nominating Committee is now accepting nominations for open officers and elective positions of NODA in 2016. As required by

NODA Bylaws, Article XIII, Section 1-11, the Nominating Committee has been formed. The Nominating Committee members are: Drs. Richard Owens, Sr. (chair), Gustavo Coutin, Mark Chaney, Jeffry Leeson, Glenn Dubroc, Jr., and Byron Ganuchau.

Nominations may be submitted to any member of the Nominating Committee listed above or to the NODA office located at 2121 N. Causeway Blvd., Suite 153, Metairie, LA 70001. All Nominations must be received by Wednesday, November 18, 2016, the date of the November General Membership Meeting. All nominations must be

submitted in writing and signed by two Active, Active Life, Retired and/or Life Members in good standing.

The Committee requests that nominations be submitted as early as possible so that all nominations may be considered before the announcement of the formal slate of nominations at the November Board Meeting and the November General Membership Meeting.

If there is more than one candidate for any office or elective position, candidates will have an opportunity to address the membership at the December General Membership Meeting on December 16, 2013, prior to a vote of the membership. All newly elected officers and board members will officially begin their term of office immediately upon taking the oath of office.

NUMBER	POSITION	TERM
1	1 st Vice President	1 year
1	2 nd Vice President	1 year
1	Treasurer	2 year
1	At-Large Board Member	3 year
1	Director to LDA Board of Directors	2 year
The following are appointed positions:		
2	Alternate Director to LDA Board of Directors	1 year
1	Alternate Delegate to ADA	1 year
2	Louisiana Dental Services Director	1 year
22	Delegates to LDA House of Delegates	1 year
5	Alternate Delegates to LDA House of Delegates	1 year

What's New and Exciting for the 2016

NODC/LDAAS

By Dr. Jeffry A. Leeson – NODC/LDA Annual Session Committee General Chairman

We're changing...we're growing...and we want you to be there to experience it! We've scouted other conferences and annual meetings to find out what works and what's popular, resulting in new features that were implemented at the most recent April 2015 meeting, such as the Mobile App and C.E. on the Exhibit Hall Floor.

Our 2016 New Orleans Dental Conference/Louisiana Dental Association's Annual Session will show even more changes and improvements to continue making this one of the best dental meetings you can attend, and in your own State!

Foremost, our pricing structure will change to allow attendees the opportunity to achieve their specific continuing education goals and needs. Pre-registration fees will be reduced by as much as 50%. If your goal is to obtain the most economical continuing education, choose from any of the free sessions that will be offered. If your goal is to learn from some of the most popular and sought-after speakers in our industry (such as Drs. Gordon Christensen, Louis Malmacher, Marvin Berman, and Gerry

Chiche), relatively nominal fees will apply.

Next, staggering the start times of lectures and offering more 2-hour sessions will allow you to customize your C.E. schedule, providing more opportunity to browse the Exhibit Hall, extra time to visit with colleagues, and optimizing the use of your time at the New Orleans Dental Conference/Louisiana Dental Association's Annual Session. We realize how important it is that you receive C.E. credits. Rather than separating the verification codes into two segments announced before and after the course, the C.E. codes will now be announced only at the conclusion of the course, thus reducing attendees' stress if they are running a little late or doing business in the Exhibit Hall.

Another big change is combining the NODC Welcome Reception and LDA President's Party (honoring Dr. L. King Scott) with the LSUSD Alumni Reception. The event will be held Thursday, April 14th at The Chicory (2nd floor above Ernst Cafe) from 7-10 p.m. This is a wonderful opportunity to reconnect with former friends, classmates and even professors!

Because it was so well received and functional, the Mobile App will be back with even more info and functionality. And, if you are local or find yourself in New Orleans for the day and want to visit the Exhibit Hall to see what's new and great in dental products, an Exhibit Hall one-day pass can be

purchased for \$25.

So mark your calendars now for April 14-16, 2016. Please check the Conference website at www.nodc.org for updated information, to see the list of speakers, course descriptions, and registration dates. Like our Facebook page (New Orleans Dental Conference and LDA Annual Session) and follow us on Twitter.

No place combines C.E. with food, fun, and culture the way New Orleans does. Mark your 2016 calendar and bring the whole dental team to the New Orleans Dental Conference/Louisiana Dental Association's Annual Session at the New Orleans Morial Convention Center, April 14-16, 2016.

NODA News is published every month with the exception of June and August. Deadline for ads and editorial material is the 10th of the month preceding publication. Ads and news should be sent to: info@nodental.org

NODA News is a publication of the New Orleans Dental Assn., 2121 N. Causeway Blvd., Suite 153, Metairie, LA 70001. Phone (504) 834-6449.

About Our Company

Medical Disposal Systems (MDS) is a biomedical waste transport and disposal company for biomedical waste generators, located in Central Florida with locations in Mississippi and Louisiana. We are a locally owned and operated, long-established company, providing our customers with impeccable service. Our friendly staff is continuously looking for ways to meet and service all of your medical disposal needs. We work to ensure that our customers are provided with the most efficient service possible. We are large enough to service and small enough to care.

Service Frequency	1 X every 4 weeks	1 X every 8 weeks	1 X every 12 weeks	1 X every 24 weeks	On Call

NODA NODE FALL SEMINAR

Friday October 30, 2015 – Day One Lecture
Sponsored by NODA and NODE

Saturday October 31, 2015 --- Day Two Hands On Continuation
Sponsored by Robert A. Convissar DDS

Lasers in Dentistry: Separating the Hype From the Facts

Join us for an All-Day Seminar and an Optional 2nd Day Hands On
Certification dedicated to Laser Dentistry in 2015

Robert A. Convissar, DDS

This comprehensive course will cover all aspects of laser applications in dentistry and which lasers can be used to accomplish the various procedures.

Among the topics to be covered are as follows:

Non Surgical (Initial) Periodontal Therapy: Periodontal Pocket Disinfection, Laser Assisted New Attachment Procedure.

Surgical Periodontics: Gingivectomy, Frenectomy, and Mucogingival Surgery.

Regenerative Periodontics: Membrane-Free Guided Tissue Regeneration.

Fixed Prosthetics: Cordless Gingival Troughing, Ovate Pontic Site Preparation, Soft Tissue Crown Lengthening, Osseous Crown Lengthening, and Emergence Profile Modification.

Surgical and Restorative Implantology: Surgical Site Preparation, Implant Placement, Osteotomy, Hemostasis, Sinus Lift, Second Stage Surgery, Mucositis/Peri-Implantitis.

Removable Prosthetics: Epulis Removal, Vestibuloplasty, Soft and Hard Tissue Tuberosity Reduction, Torus Reduction, Alveolar Ridge Abnormalities, Papillary Hyperplasia, Angular Cheilitis.

Oral Medicine/Oral Surgery/Oral Pathology: Biopsy, Hemostasis/Coagulation, Extractions, Apicoectomy, Incision/Excision/Ablation, Herpetic Lesions.

Pediatric Dentistry: Frenectomy, Tongue Tie, Gingival Hyperplasia.

Operative Dentistry: Deciduous Teeth, Permanent Teeth.

Endodontics: Canal Sterilization, Smear Layer Removal, Retreatment.

Day Two Hands-On Option – For those attendees that have attended Day One and Registered for Day 2 at www.FullSpectrumSeminars.com.-- Each participant will gain hands-on experience with the various FDA approved laser wavelengths, performing surgical procedures on in-vitro models. Real time videos of routine laser procedures will be part of the in-depth discussion of specific instrument settings and techniques for laser surgical procedures. Attendees will perform a hands-on clinical simulation and there will be discussion of laser practice management and marketing tips.

LOUISIANA DENTAL CENTER

Whether you are a recent dental school graduate or a current practitioner interested in pursuing new opportunities, Louisiana Dental Center offers doctors the ability to perform dentistry in an autonomous and collegial atmosphere without the burden of managing a practice. With nine state-of-the-art clinic locations scattered across Southern Louisiana, our practice is in a unique position to offer flexible schedules and working options for the general dentist or specialist. If you're interested in joining our team of professionals, please contact Terry

OFFICE SPACE

To share in Kenner. Great location, ideal satellite for specialist. Call 504/701-3455.

ORTHODONTIST

Louisiana Dental Center, a well-established and fast-growing group dental practice, is seeking an associate Orthodontist. We have a thriving pediatric patient base that presents a wonderful opportunity for the right candidate. Please contact Terry Ernst at 985/893-2240 or fax/email your CV to 985/893-2629 or ternst@ladentalcenter.com.

TODAY'S DENTAL

Busy group dental practice is seeking a highly-skilled General Dentist. Selected candidate will be helping to maintain the long-established, impeccable reputation of the dental practice. This is a full time position with future buy-in potential. We offer competitive wages, advertising, a highly-skilled staff of dental auxiliaries, state-of-the-art equipment and the camaraderie of working side-by-side with other general dentists and dental specialists. E-mail CV/Résumé to Aaron at aarone@todaysdental.us or contact via telephone at 985/809-1889.
