NO. 05

## President's Message

by Vincent L. DiLeo, Jr., D.D.S. – NODA President

Greetings to all members of NODA!

I would like to start off with an acknowledgment of all our

members who attended Dentists' Day at the Legislature. NODA had a very good representation and thank you for keeping our legislators educated and informed on topics important to dentistry in our area.

I would also like to thank Dr. Donald Bennett, his conference committee, all the volunteers, and the entire NODA and LDA staffs, on an excellent job with the New Orleans Dental Conference/Louisiana Dental Association Annual Session. All those members who volunteered as delegates to the LDA House of Delegates are to be commended for their service and participation.

Its spring time in Louisiana and that means lots of festivals with all the trimmings. This brings up NODA's biggest social event of the year, our annual Crawfish Party on Friday, May 9th, from 6:00 to 10:00 p.m. at Southport Hall, located at 200 Monticello Av, where Oak Street meets River Road on the Jefferson/Orleans parish line. Along with hot boiled crawfish, there will be jambalaya,

sandwiches, drinks, music, sweets, and a caricature artist for the young and old alike. There is no charge for NODA members and a \$10.00 charge for guest over 6 years of age and over. We hope to see you there!

Back by popular demand, our May 21<sup>st</sup> General Membership meeting will be at Jack Dempsey's restaurant on Poland Ave. Our speaker will be Dr. Jonathan Esquivel on the topic: "Full Mouth Implant Supported Prosthesis: When, Where, and How." Our sponsor will be Nobel Biocare USA, LLC. Again, the dinner and continuing education are free to members who RSVP by Monday, May 19th, by 5:00 p.m.

As always, I welcome any suggestions or comments on how we can improve as an assorting. Best wishes to everyone. Hope to see you at the next NODA event.

## New Orleans Dentist Receives LDA Distinguished Service Award

*Mark Chaney, D.M.D., Jamie Manders, D.D.S. and James Riopelle, M.D.*

Dr. Jamie M. Manders, of New Orleans, LA, was named this year's recipient of the Distinguished Service Award that was presented during the 134<sup>th</sup> House of Delegates of the Louisiana Dental Association (LDA) on April 5, 2014, at the New Orleans Morial Convention Center.

The Distinguished Service Award is the highest honor bestowed by the LDA and is given annually to individual members who exemplify the highest standards of professional conduct in dentistry and make extraordinary contributions in organized dentistry and their community.

Dr. Manders has been a member of the LDA, the American Dental Association (ADA) and the New Orleans Dental Association (NODA) for 34 years. She is a retired general dentist who worked diligently for her peers for over 25 years as a volunteer who dedicated her time and talents to assist dentists in recovering from substance abuse. She began working with NODA's Impaired Dentist Committee and

shortly after, joined what is now known as the LDA's Dentists Well-Being Advisory Committee, later becoming chair and helping dentists throughout the state. Primarily because of her efforts, the LDA received an ADA Golden Apple for Excellence in 2011 for its Dentists Well-Being Activities.

She was a member of the NODA Board of Governors from 1989-91 and a past volunteer with both the ADA Annual Session in New Orleans and the New Orleans Dental Conference. She received the NODA Honor Dentist Award in 2012.

Within her community, Dr. Manders has also been active in her volunteer efforts, including the Algiers Point Association Board of Directors, American Association of University Women local president, Louisiana Philharmonic Symphony volunteer, New Orleans Museum of Art volunteer, New Orleans Track Club and treasurer of the Chalmette Track Club.

She is married to Dr. James Riopelle, a New Orleans physician.

# 2014 Dentists' Day at the Legislature Was a Great Success

by Richard L. Owens, Sr., D.D.S. - NODA Governmental Advocacy & Affairs

THANK YOU FOR A GREAT EVENT!! The legislators gladly welcomed us in the Capitol and openly discussed issues affecting our profession. We had a total of 46 dentists at the Briefings in the afternoon and 51 dentists attending the Reception at Pentagon Barracks who were able to visit with 33 legislators. There were 19 dentists in attendance from our NODA Component who I wish to personally thank for your help and participation.

Bills that the LDA supports include HB552, HB671, SB167, SB244, SB355, SB400, and SB474. These bills will help us to maintain and improve our dental practices and the way we conduct business. Bills that the LDA opposes include HB475, HB601, HB822, HB895, and SB490. These bills would have a negative impact on our profession and would negatively impact our dental practices and change the way we conduct business.

For more information you can log on to [www.ladental.org](http://www.ladental.org). Look for legislative Links under 'Advocacy and Governmental

Affairs' and look under the 'Members Only Section' for the link to 'Grassroots Action Center/Contact Your Legislator'. At this time there is an ACTION ALERT for ALL Dentists on HB671: Support for the LSUSD Student Fees.

## We Need Your Help - Louisiana Mission of Mercy - Feb. 27-28, 2015

**The Louisiana Mission of Mercy (LaMOM) is sponsored by your LDA Foundation and will be held in Baton Rouge at the Armed Forces Reserve Center, 8110 Innovation Park Dr., Feb. 27-28, 2015. Setup will take place on Thursday, Feb. 26. We need YOUR help, as well as the assistance of your staff, friends and spouse!**

***Mission Statement: We seek to deliver quality dental care to the underserved population of Louisiana by partnering with dental team members and lay volunteers in a free temporary dental clinic setting.***  
[www.lamissionofmercy.org](http://www.lamissionofmercy.org)

Volunteering for a Mission of Mercy is an incredible experience you will likely never forget! To accomplish our goals, we plan to do the following at LaMOM:

- Provide free access to dental care and prevention of dental disease while placing a high priority on patients suffering from dental infections or pain.
- Raise public awareness of the difficulty low-income adults and children face in accessing critical dental care.
- Create dental health care advocates via the hundreds of lay volunteers participating in our event.

Preliminary goals for serving our community:

- 1,500 patients, 750 each day, to be seen on a first-come, first-served basis, at no cost to them.
- 200 volunteer dentists to provide diagnosis, treatment and education.
- Up to 1,200 volunteers such as dental team members, spouses, office staff, hygienists, chairside assistants, lab technicians, physicians, nurses, pharmacists, dental students, hygiene students, pre-dental students, dental supply reps, church groups, college service groups, community services groups (Rotary, Lions Club, St. Vincent DePaul, etc.). Basically, any individual over 18 years of age.
- Financial- and in-kind donations to assist with the purchase of needed dental supplies, food for volunteers and patients, signs, printed materials and much more.

Our budget is approximately \$130,000, but we will be able to provide over \$500,000 worth of dental care because of the donation of time from the Louisiana dentists and other volunteers who will be participating at no cost.

Volunteers, including dentists, are also able to attend from other states. Out-of-state dentists will be approved by the LA State Board of Dentistry for temporary licensure. They may also be eligible for up to 3 CE hours for their participation. ALL VOLUNTEERS WILL REGISTER ONLINE SO THAT WE MAY PREPARE FOOD AND SHIRTS (as well as licensure and liability coverage for doctors and hygienists). WE WILL NOT BE ABLE TO ACCEPT VOLUNTEERS AS WALK-INS. The website will be updated as info is available and the volunteer registration portion will be available in the Fall of 2014.

***THANK YOU TO ALL LOUISIANA DENTAL ASSOCIATION MEMBERS WHO CHOOSE TO VOLUNTEER FOR LAMOM AND PROVIDE MUCH NEEDED DENTAL CARE TO PEOPLE IN DESPERATE NEED!***
