MISSION STATEMENT

To maintain a cohesive organization that serves its membership by promoting the art, science and professionalism of dentistry, and by communicating the value of optimal oral health to the community.

VOL. 50

MAY '12

NO. 05

President's Message

by George H. Arch, Jr., D.D.S. - NODA President

It's springtime and that means festival time in Louisiana. NODA is throwing the Annual Crawfish Party on Friday,

May 11th from 6:30pm to 9:30pm at the usual venue, the American Legion Home, 3001 River Road at Causeway Boulevard in Jefferson. President Elect, Dr. Darrell Bourg, Jr., has lined up on site boiling, a live band and plenty of food and fun for everyone. There is no charge to NODA Members and a \$10 charge for guests over the age of six. Please RSVP early so we can get an accurate count.

An important note about this month's General Membership Meeting. Due to a scheduling conflict, the NODA Board has elected to push this month's meeting back one week from the usual date. It will be held on May 23, 2012 at Jack Dempsey's restaurant on Poland Avenue. Our speaker will be Dr. Hisham Nasr and the sponsor will be MegaGen USA. Again the dinner and continuing education are free to NODA Members who RSVP by 5pm on the Monday prior to the meeting.

Congratulations to Dr. Claudia Cavallino, the 2012 New Orleans Dental Conference and LDA Annual Session Committee

members, and the NODA staff for a job well done. This year's Conference was a huge success thanks to the hard work and dedication of so many individuals.

Next year we will not be holding our annual Conference due to the ADA Annual Session coming

to town Halloween weekend 2013. Dr. Donald Bennett will be the next Chairman for the NODC/LDA Annual Session in 2014.

Best wishes to everyone. Hope to see you at the next NODA event.

MAY MEMBERSHIP MEETING

May 23, 2012 □ 7:00pm

Robert Barsley, LSUSD '77, Installed as President of American Academy of Forensic Sciences

Dr. Robert Barsley, DDS, JD, professor and head of the Division of Diagnostic Sciences in the Department of Comprehensive Dentistry and Biomaterials and director of Oral Health Resources,

Community & Hospital Dentistry, was recently installed as president of the American Academy of Forensic Sciences (AAFS). This multidisciplinary professional organization provides leadership to advance science and its application to the legal system. Organized in 1948, the AAFS serves a membership of 6,000 forensic science professionals who are the focal point for public information when forensic science issues are addressed in the public domain. The AAFS publishes the internationally recognized Journal of Forensic Sciences. Dr. Barsley will serve a one-year term as the 65th president of the organization,

hosting the annual scientific meeting in February 2013, in Washington, D.C.

A 1977 graduate of LSUSD, Dr. Barsley's interest in forensic science, and in forensic odontology in particular, began during his sophomore year in dental school, kindled by lecturers from the LSU School of Medicine who shared their experiences working with coroners' offices in the New Orleans area. After graduation, he made identifications for Tangipahoa Parish where he practiced prior to joining the LSUSD faculty in 1980. He became a full-time faculty member in July 1982, one week

Con't on pg 3

"I only have one regret about selling my practice. I should have called Dr. Earl Douglas sooner."

Sound Advice.

Robert Barsley, LSUSD '77, Installed as President of American Academy of Forensic Sciences - Con't.

after the crash of a PanAm jet in Kenner. He worked side-by-side with LSUSD faculty and students in a successful effort to aid law enforcement in identifying the more than 150 victims of that tragedy.

Dr. Barsley graduated from Loyola University School of Law in New Orleans in 1987 and was admitted to the Louisiana bar that same year. Mentored by now-retired faculty members Ronald Carr and Joseph Cuminale, he has served as a consultant to numerous coroners' offices in southern Louisiana and is on staff at the coroner's office in both Orleans and Jefferson parishes.

As a member of DMORT Region VI (United States Public Health Service), he served an extended tour of duty in the dental section of the hurricanes Katrina and Rita morgues in St. Gabriel and Carville, Louisiana, where he directed scores of dentists from all over the United States in identifying the hundreds of victims brought to the morgue. This six-month detail, using virtually all forms of forensic science, resulted in most of the bodies being identified and returned to their families for burial.

Dr. Barsley has held numerous offices in various forensic organizations and is currently treasurer of the Forensic Science Foundation. He is co-chair of the Odontology Section of the Scientific Working Group on Disaster Victim Identification funded by the National Institute of Justice and the FBI. In addition, he is a fellow of the American College of Dentists, the Interna-

tional College of Dentists, the Pierre Fauchard Academy, and the Odontology Section of the American Academy of Forensic Sciences.

Dr. Barsley served as a Robert Wood Johnson Foundation Congressional Health Policy Fellow in the office of Senator John Breaux. He currently serves as a delegate to the American Dental Association (ADA) House of Delegates and is a former chairman of the ADA Council on Access, Prevention, and Interprofessional Relations. He is a former general chairman of the New Orleans

Dental Conference, the current secretary/treasurer of the Louisiana Dental Association, and the general chairman of the Committee on Local Arrangements of the ADA Council on the Annual Session for the meeting to be held in New Orleans in October 2013.

Dr. Barsley serves as the appointed magistrate judge for the City of Ponchatoula where he resides with his wife Gwen, a retired junior high school principal. Their daughter Emily is a freshman at LSU.

A time to reflect

A time to reflect gives you the opportunity to celebrate your accomplishments, re-evaluate your goals and appreciate the avenues necessary to attain the long term successes you desire on a personal, professional and financial level.

Whether you're just starting out in your career or a more seasoned professional, the insurance choices you make to protect your family and your practice can have a major impact on the outcome of your achievements.

The insurance professionals at Robert Ellis & Associates can assist you in reflecting and reviewing your insurance needs. Together with the outstanding portfolio of programs endorsed by your LDA, we're here to help you safeguard your family and your practice now. For additional information on any of the LDA programs, simply call:

Annual Crawfish Party Coming Soon

By: Darrell P. Bourg, Jr. – NODA President Elect

Mark your calendars to attend the New Orleans Dental Association's Annual Crawfish Party on Friday, May 11th, from 6:30pm-9:30pm. The event will be held at the American Legion Home – Jefferson Post 267, located at 3001 River Road, Jefferson, Louisiana 70121. Cajun music will be provided by T'Canaille. You can also enjoy some jambalaya, fresh vegetables, sandwiches, and lots of cookies for the children. There will also be a caricature artist from 7:00pm - 9:00pm doing complimentary facial sketches. The crawfish party is free to all NODA members and there is a fee of \$10.00 for each staff guest or family member age 6 and over.

Sponsored in part by the following companies:

I Switched To LAMMICO

*Mark D. Anderson, D.D.S.
Family Dentistry, New Orleans
Policyholder since 2005*

"When I first started my dental practice, my malpractice insurance was through a nationally known carrier. But it was difficult getting through to someone to help me when I needed them.

LAMMICO

Building Enduring Partnerships
800/452.2120 | 504/831.3756
www.lammico.com

Then I discovered LAMMICO, a local company that understands the needs of its dentists. When I have a question, I know I can rely on LAMMICO representatives to find the answer right away.

Now I can concentrate on what's most important to me —my patients. I'm glad I made the switch to LAMMICO."
