*The dentist and I
are partners.*

Do you know why?

Do you know why the dentist and I are partners?

Together we keep my teeth healthy.

The dentist cleans my teeth to make
them look and feel better.

He looks at my teeth to see if there
are any cavities.

He takes x-ray pictures of my teeth
so that he can see inside my teeth.

The dentist fills any cavities he finds,
in order to keep my teeth well.

He shows me how to brush my teeth.
