**ADA Foundation Accepting Applications for its  
2015 Samuel D. Harris Fund for Children's Dental Health Grants**

**CHICAGO, March 13, 2015** — The ADA Foundation (ADAF) is now accepting applications for its Samuel D. Harris Fund for Children's Dental Health program.

The application and guidelines document is available on the [ADA Foundation's website](#). The application deadline is Friday, April 10.

The ADA Foundation created the Samuel D. Harris Fund for Children's Dental Health in 1999 through a permanent endowment established through a generous gift by Dr. Samuel D. Harris, a distinguished pediatric dentist and philanthropist. Grants of up to \$5,000 are awarded through a competitive process to aid dental community programs designed to help improve children's dental health.

In 2014, the ADAF awarded 25 Harris Grants with a total value of more than \$115,000.

**About the ADA Foundation**

As dentistry's premier philanthropic and charitable organization, the ADA Foundation is a catalyst for uniting people and organizations to make a difference through better oral health. In 2013, the ADA Foundation provided more than \$1,371,000 in grants, scholarships, and awards to programs that are in alignment with the organization's four mission pillars: Charitable Assistance, Access to Care, Research, and Education (C.A.R.E.). As part of these efforts, the ADA Foundation provides funding to Give Kids A Smile®-related efforts and also oversees the Dr. Anthony Volpe Research Center in Gaithersburg, MD (formerly the Paffenbarger Research Center).
