my
dentist
and
I are
partners.

do you know why?

Do you know why the dentist and I are partners?

1. The dentist cleans my teeth to make them look and feel better.
2. He looks at my teeth to see if there are any cavities.
3. He takes X-ray pictures of my teeth so that he can see inside my teeth.
4. The dentist fills any cavities he finds, in order to keep my teeth well.
5. He shows me how to clean the plaque off my teeth.
6. Together we keep my teeth healthy.
